

Flatbed Truck Driver

Littfin Truss Co, located in Howard Lake, MN, is seeking multiple seasonal Truck Drivers from approximately May-December who are responsible to haul wood floor and roof truss systems. The successful candidate must have at least two years' experience operating a flat bed, roll-off trailer with oversized loads a plus. Must have a Class A CDL, pass background check and drug testing, possess a strong work ethic and mechanical ability. Home every night with few exceptions.

The position offers excellent wage, benefits, and a friendly work environment for the selected candidates.
